

digilube systems, inc.

GREASES

Digilube Systems inventories over 30+ greases for filling orders of single and multi-port grease dispensers. Digilube is a distributor for ATS Electro-Lube Ltd and custom fills Electro-Lubers for our customers individual plant needs.

If we do not inventory a grease that the customer wants to use, depending on the quantity of the order, Digilube will either order the grease or have the customer ship the grease to us. Purchase order to a ship date in 5-10 business days.

GREASES WE OFFER:

* indicates that we may or may not have grease - call or e-mail to check availability and pricing
