

DL-20

NON-POWERED CONVEYOR CLEANER

The DL-20 is an Economical Enclosed Track, Non-Powered Conveyor Brush Designed to Clean the Chain of Unibilt, Rapidflex, Zigzag, High Performance E-Chain, Allied Conveyors and many more. The Three Arm Design with 6' Diameter Crimped Steel Brushes, Cleans the Top and Both Sides of the Chain. Adjustable Tension Bolts allow the Brushes to Drag as the Chain Travels Through the Brushes, Scraping Debris off the Chain. Optional Debris Trays Catch Debris.

FEATURES
