NON-POWERED CONVEYOR CLEANER

This Advanced Non-Powered, I-Beam Chain & Trolley Brush Cleaner is Proven Effective for Improving the Performance and Cleanliness of all I-Beam Power Monorails

The DL-55 Non-Powered Brush improves Performance and Cleanliness of Chains and Trolleys on Monorail I-Beam Conveyors. Proper Cleaning & Lubrication will Reduce or Eliminate Parts Rejects, Improve E-Coat & Powder Coating, Help Reduce Conveyor Surging and Decrease Energy Consumption.

BENEFITS

- Cleans Trolleys and Chain Pins On 3", 4", 6" I-Beams
- Removes Debris and Reduces / Eliminates Part Rejects
- Improves Lubrication and Extends Chain and Trolley Life
- Eliminates Manual Cleaning Expense
- Features Replaceable Crimped Steel Brushes
- Portable and Economical
- Ease of Installation / Minimal Down-Time
