

LIMITED WARRANTY

The Digilube Lubrication System is pretested and guaranteed to be in optimum condition when it leaves our factory. The DL-5003HC is fully guaranteed against defective materials and/or workmanship for a period of thirty-six (36) months from the date of purchase.

Any portion of the DL-5003HC which fails during this period for either of the above reasons, excluding normal replacement parts such as indicator lamps, fuses, etc., will be repaired or replaced at our option, if returned prepaid to our factory. All defective parts returned for warranty service is fully inspected to determine cause of failure before warranty is approved.

All other equipment components are guaranteed against defective materials or workmanship for a period of twelve (12) months from the date of purchase. Our warranty is limited to the obligation to repair or replace our equipment only. The warranty is parts only and does not include labor. This warranty gives you specific legal rights and you may have other rights which vary from state to state.

The Digilube warranty will be void if any of the following conditions are found to exist relative to Digilube's equipment:

- Electronics components tampered with, or short circuited
- Damaged caused from voltage or environmental conditions exceeding the operating conditions:
 - » Operating Temperatures 45° F minimum- 120° F maximum
 - » Relative Humidity 5 – 90% Non Condensing
 - » Failure due to using lubricants that do not fall with the specified viscosity range.
 - » All non Digilube lubricants must be approved, in advance by Digilube Systems Inc. to maintain warranty coverage.
